FLASHCARDS AUTOMATION

SPEND TIME ACTUALLY LEARNING

UXUI CASE STUDY

RESEARCH

INTERVIEW QUESTIONS

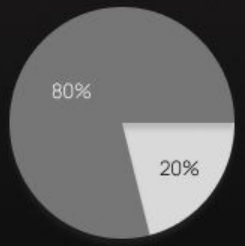
Do you or have you ever used flashcards on your studies? 1

What was the reason you stopped using flashcards? 2

How long would you estimate it usually takes to add in the cards? 3

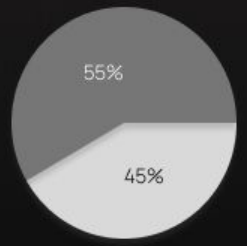
What is your motivation like after you are done adding the cards? 4

Why students quit flashcards?



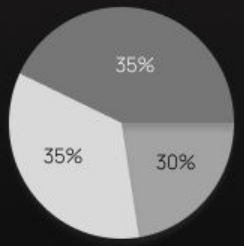
- Not effective
- Too time demanding

How long does setup take?



- About 1 hour
- More than 1 hour

Motivation after setup



- Motivated
- Not Motivated
- Somewhat Motivated

Conclusion: Flashcards are a effective tool for learning but the amount of time setting up require makes it hard for students to use their time productively.
